**A texturized energizing water,  
surprising, fresh & tonic!**

**SEPITONIC™ M3.0**, is a mineral energizing cocktail. It increases efficacy  
and oxygenation. (Magnesium Aspartate - Zinc Gluconate - Copper Gluconate)

**Smart mineral complex. Cell chrono-energizing & anti-free radical agent.** It increases  
cutaneous oxygenation (in vivo proven) & is active at any age, for **skin vitality**, skin  
aging prevention & protection against stress & pollution. It also boosts the efficacy of  
other active ingredient in formula.

**AQUAXYL™** moisturizes and restructures the skin.

(Xylitylglucoside - Anhydroxylitol - Xylitol)

**Harmonization of cutaneous hydric flow** (boosted water reserves, improved water  
circulation in all skin layers, reduced water loss ; in vitro & in vivo proven). Mechanism of  
action validated by cosmetogenomics.

**SEPICLEAR G7™ & MONTANOX™ 80** association allows essential oil  
solubilization without foaming effect.

**SEPICLEAR G7™** helps the fragrance solubilisation (Heptyl Glucoside):

**100% bio-based O/W concentrated solubilizer.** Allow the introduction at room  
temperature of liposoluble compounds such as essential oils & vitamin E. **Non  
foaming.**

**MONTANOX™ 80** enhances formula transparency (Polysorbate 80). **Solubilizer.**

**SEPIMAX ZEN™** is the key ingredient to obtain a translucent formula and  
to keep pearls in suspension. (Polyacrylate Crosspolymer-6)

**Powder polymer** with a MAXIMUM resistance to electrolytes (**high associative behavior**).  
Stable from pH 2 to 8, it enables the creation of formulas with a **specific skin feeling: rich,  
velvety and elegant.** It is now possible to formulate transparent aqueous emulsions with  
any kind of active ingredients and to **achieve ZEN.**

**ADDITIONAL INGREDIENTS:** Benzyl Alcohol - Benzoic Acid - Dehydroacetic Acid - Tocopherol: EUXXYL K903 (SCHÜLKE & MAYR) /  
Lemon (Citrus Medica Limonum) Peel Oil: ESSENTIAL OIL CITRON FRUIT (HERBAROM) / Calcium Aluminum Borosilicate & Silica &
